

“ Cambridge International  
A Levels helped me to win a  
place at a top university ”

**Cambridge International AS and A Levels** develop deep subject understanding, as well as independent learning and constructive thinking skills – abilities that universities value highly.

Every year, learners use Cambridge International AS and A Levels to gain places at leading universities worldwide, including the UK, US, Australia, Canada and New Zealand.

Cambridge qualifications provide learners with a passport to success in education, university and employment.
